

THE CHARITY CLASSIC TOURNAMENT

The Charity Classic Tournament will be played by teams of 5 players with a minimum of two ladies and two men. The format is Texas Scramble with the following points of clarification:

All rules of golf apply. All players will Tee off from the white tees on every hole. Each team member must have their drive used three times. Where a foursome is allowed to compete each team member must have their drive used 4 times.

The best drive is chosen by the team and marked with a tee. All team members take their second shot from within one foot of the tee marker, no closer to the hole. This method is continued until the ball is on the green.

On the green the best ball is chosen and marked with a ball marker. All team members will putt from that marker. If no putt is holed the best putt will be chosen and the process repeated until the first ball to enter the hole determines the team score.

The team captain will mark the team score and record the name of the player who took the drive on each hole. Score cards will be handed in to the Scorer's table on completion of play.

The winning team will be awarded the **Lohn Foundation Trophy**.

The Long Drive Contest will be won by the player hitting the longest drive coming to rest on the fairway. This does not include balls coming to rest in bunkers, on the green or in the second cut grass on the fringe of the fairway.

K.P. Prizes (Tee Shots that are closest to the pin on designated holes) An eligible K.P. ball must come to rest on the putting surface. A Tee shot in the hole does not qualify as a K.P. This is a hole-in-one and will be recognized with a special prize.

No player may win more than one prize. The first prize won will be awarded and the runner up will be awarded the second prize. Players may however win more than one major prize. If a player makes a hole-in-one to win a car and then makes a second hole-in-one to win a trip, then both prizes are awarded to that player. The first player making a hole-in-one on a designated hole for a major prize wins that prize and that contest is finished.
