

Country Meadows Senior Men's Golf Club

We are a fellowship of 170 golfers who are dedicated to the welfare of our members and the betterment of our community through our charitable work.

We are hosted by a fine, well managed Golf Course with a club house that is ideal for all our events.

Details of our history are available via the following links:

Club chronicles

Captains and Vice Captains

Service Awards

Charity Golf Classic

Charity Classic Ball

Christmas Charity

Trophy Winners

Golfing away from home

Junior Golf

This history is a result of the collaborative effort of many members who have written their recollections of what happened. It is a living history that will grow with the Club.

The pictures were borrowed from several collections in particular, those of Dean Jagger, Chuck Dunn, Harold Underdahl, Dick Baker and Lorne Carney.
